What is FAME?

Pathways to relevant curriculum

It's an arduous road from developing a concept to the actual design of a class that gets accepted. Curriculum development, refinement and reviews require patience and commitment, as well as the right information to expedite the curriculum design process. FAME brings together education and industry to collaborate on relevant curriculum that is market driven by business and industry.

What are our key initiatives?

Building and keeping talent

FAME focuses on finding solutions to the issues that matter most in advanced manufacturing.

1) Hiring & Training Issues:

We improve collaboration with workforce educators and help advanced manufacturing companies recruit, hire and train skilled workers.

2) Pipeline Issues:

We build a pipeline of skilled qualified advanced manufacturing candidates by engaging K-12 youth in pursuing manufacturing careers.

3) Manufacturing Perception Issues:

We raise awareness about the importance and attractiveness of, and opportunities in, advanced manufacturing.
